

OPTIMUS

Offshore Companies

We provide a comprehensive range of services relating to the establishment and administration of offshore companies which can be used by both individuals and corporates.

We provide advice on the appropriate structures, provide key personnel, secretarial services and ensure the company meets all its legal and fiduciary requirements in jurisdictions including but not limited to Isle of Man, Malta, BVI, Jersey, Guernsey and Singapore.

Purposes of a company

- Asset protection
- Asset management
- Increased privacy
- Risk management
- Tax planning
- Security of property rights

Why Optimus?

Our comprehensive package of services enables us to establish and administer companies in almost any jurisdiction.

What we provide

- Advice on appropriate structures
- The mechanism to form and administer the chosen company
- Multi-jurisdictional ability
- Corporate governance and all fiduciary, regulatory and legal requirements
- Key personnel including company directors, nominee shareholders and all company secretarial services
- Registered office and registered agent facilities
- Full company administration and accounting services
- Local and international tax compliance
