

OPTIMUS

Fiduciary Services

We understand the significant benefits enjoyed by selecting the most appropriate type of structure, in the most appropriate jurisdiction, to maximise your financial and tax planning.

Type of structures

- Company
- Foundation
- Private Trust Company
- Trust

Why use international structures?

- Asset protection
- AIM listed ventures
- Marine and aircraft ownership
- Portfolio investment
- Property investment
- Protection of family wealth
- Succession and inheritance planning

Our comprehensive package of services enables us to establish and administer entities in almost any jurisdiction.

Why Optimus

- Director led client care and servicing
- Bespoke offerings
- Over 100 years collective experience in the fiduciary service industry across Directors and Management
- Excellent reputation within the industry
- Corresponding firm of the global RSM network enabling contact with professionals around the world
