

OPTIMUS

Optimus Property

Involvement and experience is key - that is where we excel.

Our philosophy has driven our success - we pride ourselves by thinking strategically, acting quickly and then providing excellent client service.

If you are looking for investment exposure into UK property such as office let buildings, industrial units or retail shopping centres we can provide a suite of services that covers everything required to make such investment happen.

We have a team of industry experts who can provide:

Sourcing

Working closely with UK asset managers to source high quality property investment.

Structuring

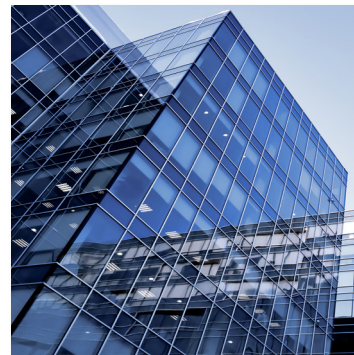

Provide tax efficient special purpose vehicles in low tax jurisdictions which, can reduce and/or remove exposure to UK tax.

Ongoing Property Management

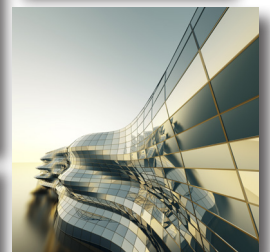

Assist and provide a full range of ongoing administration services.

Our services enable:

- Effective and efficient implementation of tailored structures
- Cost effective administration
- Efficient VAT registration and ongoing VAT compliance
- Flexible and multi-jurisdictional services
- Beneficial owner confidentially
- Work within well regulated jurisdictions
